

Mennonite Bibliography

Compiled by John F. Schmidt, Nelson P. Springer, J. P. Jacobszoon and others.

(Originally published in the April 1965 issue, vol. 20, no. 2, pp. 90-95.)

[This version was scanned from a paper copy, October 2005.]

THE MENNONITE BIBLIOGRAPHY is published annually in the April issue of *Mennonite Life*. It contains a list of books, pamphlets and articles dealing with the Anabaptists-Mennonites.

The magazine articles have been mostly restricted to non-Mennonite publications since complete files of Mennonite periodicals, yearbooks, and conference reports are available at the historical libraries of Bethel College, North Newton, Kansas; Goshen College, Goshen, Indiana; Bluffton College, Bluffton, Ohio; and the Mennonite Biblical Seminary, Elkhart, Indiana.

Previous bibliographies published in *Mennonite Life* appeared annually in the April issues since 1947 (except July, 1963). Authors and publishers of books, pamphlets and magazines which should be included in our annual list are invited to send copies to *Mennonite Life* for listing and possible review. We have added a new section under "Mennonite Writers."

Mennonite Research in Progress

Compiled by Melvin Gingerich, Cornelius Krahn, and others.

IN THE APRIL 1964 issue of *Mennonite Life*, we reported about various research projects including M.A. and Ph.D. theses. Preceding April issues since 1947, contain similar information under the headings "Mennonite Research in Progress," "Mennonite Bibliography," and "Books in Review." Of special research value is the article entitled

"Anabaptism-Mennonitism in Doctoral Dissertations" which appeared in the April, 1958, issue. The editors of *Mennonite Life* will be pleased to receive information to be included in "Research in Progress."
