CHRISTIAN ENDEAVOR

The Christian Endeavor Committee has planned a series of Sunday Evening meetings on the theme "Know the Churches in Camp". In this series the history, beliefs, and present contributions of a particular church will be discussed. This will be very informative and help us to understand each other better. An outline has been prepared to help the person presenting the topic to cover fully his churches history. The committee is composed of Jonas Classen, Willard Diener, and Art Pauls.

Sunday the church to be discussed will be the Church of God in Christ (Mennonite). Plan to attend these series of meetings.

ACTIVITY NIGHT

Tonight from 7:00 to 9:00 you will have a chance to start your billfold, handbag, childrens toys, Christmas cards, etc. Walt Stucky plans to have billfolds and handbags already cut and ready for your work so that you won't have to buy a quarter of a hide in order to start work. Most of the meetings will be in the dining hall. It is hoped a number of wives will find time to enter in on this activity.

BUSINESS MGRS. & DEPT. CHIEFS CONFERENCE

Ed Schmidt and Dave Tuows attended the conference in Fort Collins from Saturday to Wednesday. They hobnobbed with all the "big shots" and solved "all" their problems.

VITAL STATISTICS

The Virgil Stutzmans are the parents of a baby girl on Oct. 20. This 8 lb 8 oz girl was named Gweneth Gay.....Herman Smith is leaving this evening on furlough and expects to have a wife when he returns.....Excluding wives and children our camp strength has been 159 campers which is a record for recent times.

TRANSFERS

Gordon Engle and Oscar Zook have been selected for the Christian Workers School at Harrisburg, Pa. Mental Hospital. Their Fl-34's have been submitted but transfers have not been received.....Dickooten's official transfer arrived but he does not plan to leave for several weeks.....Joe Buller has been selected for a Dairy Unit in Pennsylvania. If approved, he plans to take his family with him.....Assignees that arrived since the last Bulletin are Melvin Schroeder, Melvin Simons, Eugone Matthies, and Milton Reimer from the Atypical Pneumonia Experiment. Helmuth Luerson, Alfred Arneke, and Frank Knocke arrived last Sunday evening from Magnolia. Campers leaving were Orlando Schmidt, and Milo Matthies. Harvey Jantz plans to leave tonight and Ed Hershberger, Walt Koehn, and Wes Wohlgenuth will be leaving over the week end. Benjamin Kubala and Richard Gaertner will arrive on Nov. 1 from Magnolia.

SUNDAY MORNING SERVICE

Rev. W. W. Harms of Hillsboro (Wilmer's father) will bring the morning message. He will be spending several days here. Elmer Gaeddert will be in charge of the service. The offering will go to England.

Rev. Harms will also teach the Old Testament Law and History Sunday School class at 10:00. This will be Lesson 3 covering Genesis 12 to 50. Look in the special quarterly to get the reading assignments.

CAMP PAPER APPEARANCE

The PIKE VIEW PEACE NEWS was reborn and is being mailed to subscribers today. Credit should be given to the paper staff who worked hard on this issue and did a fine job. The camp paper has become a monthly paper but will be larger to make up for being published less often.

SPECIAL PROJECTS, ETC.

This is a good time to file application for the special project in which you are interested. Even if you have recorded your interest some time ago, you should renew your request so that your name is on file. You will not be considered if your name is not on file.....If anyone is interested in exchanging places with someone in Camino, Calif., see Dave about it.....No applications have been received for coop post-war jobs, so don't put it off any longer if you are interested.

REGIONAL DIRECTOR

Rev. Erwin Goering, our new regional director, will make his first official visit this weekend. He was formerly director of Weeping Water and Camino, Calif. before taking his present position. He is the type of fellow who will be happy to talk over any problems you may have and give you all the information that he has on your questions.

CAMPERS ALLOWANCES

A slight change in making available the camper's monthly allowance has become necessary. In the future it will be handed out to the campers either at the canteen or office by Waldo Wedel and Ed Schmidt for the first 3 or 4 days of each month. Definite days will be announced ahead of time. October allowances will be available Nov. 1 to 3 at regular canteen or office hours. In the future men going on furlough and not returning before the 3rd of the month should ask for it before leaving. Men out for the week or gone for other reasons during this period should obtain theirs before leaving. In the future it will be impossible to hand them out after the deadline. Remember you are entitled to a \$5.00 monthly allowance if you do not receive a contribution from your local church or any organizations within the church during that particular month.

ANOTHER QUESTIONNAIRE

The MCC is making its plans for post war rehabilitation program. They have asked us to share in our thinking. Their letter states "It does not mean that the MCC will undertake the kind of rehabilitation program that meets the desires of all men, but I am anxious to get the thinking of the men into the planning of our program here. I am sure a good many of the men have been thinking and talking about this matter, and I should welcome the chance to share in that thinking.....What type of assistance are the men thinking of? Is it counseling or financial assistance that they need? Would the men expect outright grants or loans? Do the men think of assistance for educational purposes on the same basis as assistance for farming, business or other occupational assistance?"

This questionnaire will attempt to answer these questions. Please fill out the questionnaire by Monday morning and give them to your dorm captain who will bring them to the office.

HOUSEKEEPING

Mrs. Linscheid says the cooperation of the men is good in keeping dorms orderly. She suggests that you discard old shoes, caps, and clothing that you no longer use and remove everything from the bottom of your closets for Saturday morning cleanup.
