OFFICE & INFIRMARY

Office and sign out sheets will be in the library during period of fumigation. The infirmary will be found in the library (in the cardboard box).

LIVESTOCK SELECTION

A course in livestock selection will begin on Wednesday, Nov. 29 at 7:00. The first session will deal with the selection of dairy cattle and the discussion will be lead by Gene Sallaska. The course is to finish before the beginning of the Christmas furloughs, and will consist of 5 sessions-----Dairy cattle, Beef cattle, Swine, Sheep and Poultry. Some picture slides are being borrowed from the Fort Collins Camp to aid in the course. A number of breeding associations also have contributed material.

QUARTET

The quartet consisting of Art Pauls, Teague, Menno E. Schmidt, and Leon Friesen sang at the Spanish Mission a week ago Sunday. They say they didn't understand much of the sermon which was in Spanish. This week end they are singing in Pueblo in the old Menn. Mission.

TRANSFERS

Joe Buller leaves this evening for Pennsylvania Dairy farm unit. Hyrum Ray and Leonard Raney arrived Saturday evening. Norman Teague's official transfer to Western State Hospital, Staunton, Virginia has arrived.

ALUMNUS

Marshall Biggerstaff, who received a release several weeks ago, writes that he is working for the Kansas-Nebraska Gas Co. and is living at 602 College, Scott City, Kansas. He sends his greetings to the camp.

THANKSGIVING

Approximately 185 people ate a turkey dinner last evening. The turkey's were donated by the Holbrook Mennonite Church of Cheraw, Colorado. Rev. Bayles was the guest speaker.

PROPERTY

Two men from Fort Collins arrived last night with a load of property transferred here from Mt. Pleasant, Utah. The load included 510 sheets, 143 pillow cases, chrome lounge furniture, folding chairs, boxing gloves, ball gloves, etc.

SHEETS

Since we have received sheets from government, we will check them to you. Details will be furnished later. However, it becomes important to use our sheets properly. You should have one sheet washed each week: (1) Place bottom sheet in wash, (2) Use top sheet on bottom, (3) Use clean sheet for top sheet.

BASKETBALL

Basketball will resume its place on our schedule on Thursday night. Since First Aid will be over, teams are to be organized for league play.

SUNDAY

Rev. Frank Wenger of Moundridge will be the minister on Sunday morning service at 9:00. He will teach lesson 6 in Old Testament History in Sunday School at 10:00.

DDT (FROM NSB MEMO)

Colonel Kosch has informed this office that the army has requisitioned the entire production of DDT insect powder for use abroad. No DDT powder is being used in the country except for experimental purposes. We have not been able to interest the army in experimenting on CPS bedbugs.

ODDS AND ENDS

Pike View Peace News will be mailed the first part of next week.....Dave Suderman will return around the first. He hasn't written nor squawked since he left.....Art Dick was asked by wire if he would accept a position with the Vineland, New Jersey training school in the maintenance department. He agreed and is waiting.....We are not officially saying anything about the permanents which Henry Friesen and Pete Friesen have received.....Doc Harms is now ready for service in a minute's notice. He carries his fever thermometer with him at all times.....The Walsenburg crew seems to be getting along O.K. The food is good except the lunches in the field might be improved.....Alfred Arnecke, nightwatchman, today is a "free man". He finished his parole period and becomes regular "free" CPS man according to our information.
