PLANS FOR CHRISTMAS

(Dec. 24 - 25)

Most likely a large number of men will be gone over the Christmas Week End. Consequently, the plans as outlined by the Religious Life Committee are based on the idea that everything will be carried on cooperatively by those remaining in camp. The men from the Dairy Unit are invited to celebrate with us as well as share in the work involved. Each man remaining in camp will be asked to share in the waiter, dish washer, cooking, duties.

Dec. 24, SUNDAY: Regular Sunday School classes will meet at 10:00 followed by a Special Christmas Service at 11:00. The Service will be in the form of a reading and singing cantata tracing the Birth of Christ from its prophecy to the birth. The evening will be free tentatively so that special services in the city may be attended.

Dec. 25, CHRISTMAS DAY: A late "pick up" breakfast will be served between 9:00 and 10:00 AM. It will be one day where the camper is officially urged to sleep late. At 4:00 the Christmas dinner will be served and a short service will be held in conjunction with the dinner. In the evening at 8:00 a social hour will be held to sing carols, eat nuts and candy, and perhaps listen to a broadcast of the Christmas Carol by Charles Dickens.

SUNDAY MORNING SERVICE (Dec. 17)

Rev. Erwin Adrian, the Assistant Pastor of the M.B. Church in Buhler, will be our minister for Sunday Morning. The Camp Chorus will give their Christmas program that morning as a part of the service and it will begin at 10:30 with no Sunday School. The morning collection will again be used to provide for needy families in the Colorado Springs area.

WANT AD!!!!

Rev. Yost contributed this Ad which supposedly was inserted in the paper by a Goessel, Kansas citizen: "I lost a calf. He's a she calf. He's got a white spot on the top of his belly. He who finds me that calf pays me \$5.00. I live 5 miles behind Goessel.

FURLOUGHS

I suppose all of you have heard that there is in effect a 10% limit to men on furloughs at the present time. This will extend to the 10th of January. The dates of men going on furlough have been settled without too much bloodshed. In fact, it was easier than was expected.

BASKETBALL LEAGUE

Two teams have been entered in the YMCA Service Men's League. Games are to be played on Mondays, Thursdays and Fridays but each team will play only one game a week. The game will be played in 10 minutes quarters. Spectators are invited to witness the games free of charge.

Last night the Camp CPS team played 316th Bomb Wing and won in a score of 60-23. The 316th B. W. wasn't as strong as some of the other teams in the league but nevertheless the CPS Team looked like a strong contender for the league title. Camp Templeton Gap will play the 315th Bomb Wing this evening at 8:00.

The teams are divided as follows:

Camp CPS: Menno E. Schmidt	Dutch Grundman	Camp Templeton-	
Melvin Gaeddert	Paul Quiring	Gap: Dave Pauls	Paul Schmidt
Ed Belan	Waldo Wedel	Leon Friesen	Walt Krehbiel
Harry Froese	Bud Stucky	Roland Duerksen	Elmer Gaeddert
Edwin J. Schmidt		Doc Harms	Toney Martens
		Menno A. Schmidt	

The regular basketball session at the North Junior High gym will continue as long as interest exists. Read the write-up in the Gazette about last night's game.

MEETINGS THIS PAST WEEK

Rev. Yost concluded his series of meetings on Wednesday night. The meetings were well attended and we appreciated Rev. Yost's message.
