MCC.AID SECTION IS BUSY

Recently we received a bulletin listing a number of Mennonite Communities that desired Christian people as permanent settlers. A surbey of these communities is included which lists price of land, roads, schools, crops, rainfall, churches, and job possibilities. This is actually getting down to business on post war life and it would be worthwhile to look over the list of communities.

FIRST AID INSTRUCTORS COURSE

Wilmer Harms is planning on going to Fort Collins to take the Red Cross First Aid instructors course that is being offered there Jan. 3,4, & 5. Plans are underway to select another person to go there for this course. This will qualify them to teach First Aid for offico Red Cross cards.

BASKETBALL

The biggest game of the season takes place on Thursday January 4 at the YMCA as the two teams from camp tangle. Both teams are undefeated in the Serviceman's League and plan to discard packfist principles for a night to go after each other. Both teams are confident of victories. The Camp CPS team is pinning its hopes on Ed Schmidt whose scoring average is well over 20 points per game and Menno E Sch. who has been a work horse under their basket. The Templeton "Gapsters" are so confident of a win that they are sending two of their regulars home on furlough. Walt Krehbiel will direct the team using Dave Pauls and "Freezer" Friesen as his key men.

JOB ROTATION

The job rotation referendum was a close vote--45 to 40 for the job rotation plan. The campaigning was keen and it was even suspected that an attempt had been made to mimeograph more ballots since the machine had received some attention from inexperienced hands.

EDUCATIONAL PROGRAM

Plans for the next quarter in the educational program call for a Public Speaking class to twice a week for 6 weeks to study the mysteries of speech making. Ed Belen will teach this class. A class in Music Conducting will be taught by Dave Suderman for prospective song leaders and orchestra directors.

SUNDAY MORNING - Dec. 31 -

We have been fortunate in securing Dean Roger Hazelton of Colorado College here in Colorado Springs to bring us the morning message. The service will begin at 9:00 in the morning. Paul Quiring will be in charge of the service.

OFFICERS FOR PRAYER MEETING

The following officers were elected to serve for the winter quarter: Ben Schmidt-Chai man, John Smith-assistant Chairman, and Jefferson Johnson-Chorister.
