### -- WOMEN'S MEETING --

On Friday, March 9 the Ladies who have interests in CPS No.5 will meet for an hour at the YWCA in the Mexican Room at 8:00. A part of the meeting will be devoted to the topic of forming a Women's Fellowship. In addition Miss Fast will bring some Chinese articles, crafts, clothes, etc. to exhibit. All ladies are urged to attend this meeting.

It has been suggested that we organize a primary department in our Sunday School for those youngsters who are old enough to attend. Perhaps one of the ladies could take charge of this.

### -- PROPERTY --

Do you remember that when property was checked to you the number on each item was recorded? You will be held responsible for returning the items with those numbers. A recent survey indicated that a lot of property had changed hands.

Walt Stucky will give you the correct number on the property so that you may check it and regain those items which are missing.

## MENTAL HYGIENE CLASS

A class to study mental illnesses is being organized especially for those planning to enter mental hospital service and those who are interested in learning more about this type of service. Of course, everyone is invited to enroll in this class. The class will study mental health, types of mental illness and how they act, and type of treatment. This class is of special importance at the present time due to the increase in mental hospital units and also the possibility of the opening of a Mennonite Mental Hospital to take care of our own patients. The class will meet for 5 periods and if interest is expressed for further study, it will be continued. The first class will meet on ~~Friday~~.

\*\*\*E ? ? ? ?

To learn more about the Chinese you should plan to attend an informal talk on Chinese customs, workmanship, eating, dress, marriage customs, and analysis of Chinese ideograph, etc. on Monday evening at 7:15. Miss Fast will bring some of her Chinese article crafts to exhibit at that time. It is also planned to serve some Chinese refreshments.

## BASKETBALL:

### Colorado Springs Defeats Fort Collins

The Denver Psychopathic Hospital Gymnasium was the scene of a fast basketball game Feb. 24. The game was played between the Fort Collins and Colorado Springs CPS teams to settle the question of who has the superior team. The Colo. Springs team emerged the victor by a score of 49-40. The game was fast, and hard play was a feature of the game all the way.

The Colorado Springs B team registered a 39-15 victory over the Denver Hospital Unit team in the curtain raiser.

### Templeton Gap Snags A Close One

The Templeton Gap evened the score with the CPS team by winning in an overtime period 34-33. It was a hard-played game with the Gap team trailing all the way. With 40 seconds left in the game, Temp. Gap scored a basket to tie the game. In the overtime period Elmer Gaeddert scored two free thro

to Paul Quiring's one to win the game. The CPS team played in spurts and hit cold spots several times in the game. Ed Schmidt led the scoring of the game with 2 points. However, the scoring of the winning team was evenly distributed with each man scoring.

## SUNDAY

Rev. LeRoy Wedel will be the visiting minister on Sunday and will bring the Sunday morning message. Rev. Wedel was formerly a camper here and should certainly have an insight into the camper's problems. He is from the Church of God in Christ Mennonite Church in Goltry, Oklahoma. The service will begin at 11:00.

In the evening Miss Fast will speak on the topic "The Missionary in the School with God". The meeting will be called at 7:30 and will again give us some of the experiences of Missionaries in a strange land.

## BOOK OF THE WEEK

The book to read is GEORGE WASHINGTON CARVER by Hold which can be found on the the "new books" shelf. This is the story of a Dr. Carver, a negro, who was born in slavery but rose to international fame as a scientist. He is the founder of the Tuskegee Institute.
