Vol. I No. 37

CPS No. 5, Colorado Springs, Colo.

May 11, 1945

Quakers say; "The important thing is not to curse the darkness but to light a candle."

## REV. GERALD BERNEKING

It is a pleasure to have men from the local community give of their time to serve us occasionally. Rev. Gerald Berneking, of the First Christian Church, will deliver the morning message in the chapel at 9:00 A.M. Sunday School will convene at 10:00 A.M. The lesson is the Tragedy of the Northern Kingdom.

## WORD OF APPRECIATION

Gene Sallaska wishes to express his appreciation to the camp for the flowers and visitations while he was in the hospital. He will be at his home during his six-week sick leave.

## PEACETIME CONSCRIPTION

A hearing on Postwar Conscription will be held June 4 according to Paul Comly French. The Gallup Poll for May 2 again announced that 70 per cent of the American public favors postwar military training, with 24 per cent opposed and six per cent undecided. Should military conscription become a peace time measure in this nation peace loving people would be in a precarious position. Failure on our part means success for the enemy. We must make our concern known to God and to our fellowmen.

## POINT SYSTEM FOR DEMOBILIZATION

With the announcement of the point system for release of military personal we are also waiting for an announcement that will apply to CPS men. In the meantime, however, we might fortify our selves with an abundance of patience. The suspense in waiting for a release after the initial war is over will be trying. We might as well expect a slow process of demobilization.

No language can express the power and beauty and heroism and majesty of a mother's love. It shrinks not where man cowers, and grows stonger

where man faints, and over the wastes of worldly fortune sends the radiance of its quonchless fidelity like a star in hoaven.

## NO PICK UP

Probably for the first time in the history of this camp there were no requests to go to town on the pick up truck last Sunday nite. The pick up certainly must have been frustrated.

With warm summer wheather approaching sportsters are thinking of softball as a form of recreation. This next week will see some warm up action on the ball diamond. Some good ball games are anticipated during the season.

## RECORDINGS

Some excellent records have been sent to the camp for our benefit. The records belong to Dr. Amstutz. They will be played Tuesday nite in the lounge room. Bring your books and letter writing material to the lounge and enjoy a leisure hour of good music supplemented with a little snack.
