Rev. Rudolf Schmidt - SUNDAY

Serving us in our morning worship service May 20 at 11:00 AM is Rev. Rudolf Schmidt from Fort Cobb, Oklahoma. He is the pastor of a General Conference Memmonite Church. The services will be in the hands of the dairy unit. At 10:00 Sunday School will begin with the discussion of the Babylonian Exile.

RELIGIOUS DISCUSSION HOUR

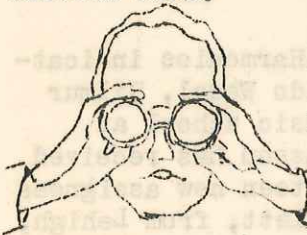

Learning is a process of sharing with one another. Come and benefit from a discussion and period of prayer Wednesday night at 8:00 PM on the subject: "How Jesus dealt with the man of military profession".

RELIEF

Our compliments are extended to the Belton Camp for the outstanding contribution it has made for war sufferers relief. A total of \$1,553.03 has been given by the camp since September, 1942.

DEMOBILIZATION

It is the responsibility of each CPS man to notify the MCC of any change regarding the information in the demobilization form.

PICTURES OF PARAGUAY

A splendid program will be ours July 6. Dr. and Mrs. G. S. Klassen, who spent nearly a year with our Brethren in Paraguay in relief work, will stop in at this camp with their projector, screen and loud speaking system. The story of these people will be given to us first hand. An interesting account of the work done by Mrs. and Dr. G. S. Klassen will be posted on the bulletin board in the dining hall.

LOOKING SOUTH

GIRLS QUARTETTE

Another program will be presented by the Hesston College Girls Quartette on May 28. The program will probably take place immediately after supper. The Manitou Church will be the place for the evening program on the same date.

CPS EXHIBIT

To demonstrate what many CPS men are doing, an exhibit in Newton, Kansas will display sample camp papers, pictures, annuals, art work, craft articles--leather, plaster, wood, metal, plastic, stone, etc. This is an opportunity to advertize or sell articles you have made. Contact Walter Stucky for detailed arrangements.

SIDE NEWS FROM SIDE CAMPS

The Sallida men are still waiting for their big catch of fish. Sam Yoder writes further that they are making around \$2.00 a day overtime. They have been asked not to make over \$48.00 per month because of income taxes that it would incur.

From Fowler comes a clipping taken from the local newspaper reporting the arrest of six conscientious objectors who spent a nite in the hoosegow for speeding and driving without drivers license. The big problem of the Fowler camp seems to be peeling off their dirty clothing after the clean laundry finally arrives.

The Ord Gents are still removing small mountains in the process of leveling land. Work on dams will begin soon. A half mile private road is also on the waiting list. Strangely enough these gents are concerned about demobilization.

KITCHEN RELIEF FOR SUNDAY

PATCHES

To Kalamazoo goes Lindel White to work as an attendant....Harmonies indicating transfers to Tiffin, Ohio, are flowing from the lips of Waldo Wedel, Wilmur Harms, Menno E. Schmidt, Leon Frieson, and Alvin Buller. The music school at Tiffin was a very popular attraction in this camp....Edward Classen has received notice that he has been selected for the Denver unit....The fifteen new assignees are rapidly filling the vacant spaces in the barracks....Jake Plett, from Lehigh, has transferred here from Mt. Pleasant. He has also been in Denison and Northfork. ...Irwin Isaac from Northfork also arrived here today. To all these new men we extend a hearty welcome.

RELIEF WORK

Disappointing is the answer given by UNRRA to a request to allow discharged CPS men to serve overseas in the field of relief. The reason was that there are now more volunteers than they can possibly use.

"What were all of your chickens doing in front of your house?"
"They heard some men were going to lay a sidewalk."
