PRAYER MEETING

Last Wednesday about thirty people enjoyed a very inspirational prayer meeting. The discussion revolved around FAITH. The group selected eight topics for subsequent discussions: Patience, prayer, happiness, honesty, obedience, repentance, forgiveness, and sin. These discussions followed with a period of prayer will be of great value to the participants.

BOOKS

Rev. Regier has brought some fine books with him which he is placing at our disposal. They will be placed in the library where you can obtain them thru the usual library procedure.

DON'T MISS - - -

The pictures of South America which will be shown in the camp chapel Saturday at 8:00 p.m. In spite of very much work in his profession, Dr. Klassen is willing to spend time in rendering this service for our benefit. Let's cash in on this splendid program.

REGIERS

We have already enjoyed the presence of the Regiers for six days. After the welcome social in Lazy Meadow last Tuesday they have become one with us. Although Rev. Regier wasn't initiated by the pile of fence posts he has been busily engaged in serving the camp. Like last Sunday Rev. Regier will again conduct the morning service this Sunday. Plans are to continue our schedule of visiting ministers from our churches with Rev. Regier serving alternative Sundays.

SUNDAY EVENING SERVICE

A devotional service will be conducted by the young people of the Friends Church and CPS men Sunday 8:00 p.m. It will be a faggot meeting around an outdoor fire in Lazy Meadow in Palmer Park.

FUN

You may expect to get your moneys worth (it won't cost a thing) out of the Fun Nite planned for Friday the 13th. There is no telling what it is going to be. Absolute secrecy till the nite of the program is necessary. Tradition has it that Friday the 13th is a mean one. If you aren't afraid the chapel door will admit you to the secret at 8:00 p.m. If the program doesn't cool you off the ice cream will.

HORROR

LETTER FROM PINEHURST

As far as I know we are getting along just fine now. Melvin Schroeder got an infection called "Vincent" or something like that. It surely looked bad but is much better now. They gave him \$420.00 worth penicillion injections. If it would have started on his gums, he would have lost all his teeth. Colorado Springs and its farm labor certainly looks good from here. There are lakes not more than 6 miles from here where we go swimming. We never get any days off but in our spare time we can go where we want to. It will probably be Sept. before we get away from here.

--Milton Reimer

A NIGHTMARE

Saturday noon we received the following wire from NSB: WIRE IMMEDIATELY DATE YOU MAILED ADJUSTED RATING CARDS TO NSB: Having mailed the cards on June 18 and Saturday June 30 was the deadline for their consideration by Selective Service, the office force became feverish. They had visions of no one being demobilized from this camp because the U.S. mails had not gone through. Sunday morning we received another wire: HEROIC SEARCH OF OFFICE UNCOVERED YOUR ADJUSTED RATING CARDS SORRY WE BOTHERED YOU THINGS. Everyone sighed and life returned to its normal rate.

FROM HUMAN EVENTS

The doctrine of Unconditional Surrender, politically speaking, means the complete elimination of one government through the force exercised by its opponents. By right of conquest all authority is than transferred to the victors, operating through their military organization. In terms of human relationships this means that people who have been subject to the laws of one sovereignty become, without any choice of their own, subject to the military decrees of another.

PATCHES

If you don't mind patches Mrs. Regier will sew them on to what is left of your clothes if you bring them to her.....Our Director is finally departing from the ranks of the single men. With the permission of the office force he will be married July 19, in Kansas City, Missouri....Application for transfer of Lindel White has been made for Ypsilanti since the Kalamazoo deal was disapproved....Leaving for Pinehurst today are Alvin Dalke and John Yoder. This leaves a vacancy in our second hand store and salvage shop. Any one talented in fixing motor bicycles may apply for the job...Some naive individual commented that the way to recognize a good milk cow is by the rudder....SOLD OUT.
