August 17, 1945

"And he shall judge among many people, and rebuke strong nations afar off; and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, neither shall they learn war any more. Micah 4:3

SPECIAL PEACE SERVICE SUNDAY

A special service will be held on Sunday morning at 11:00 to commemorate the end of the war. Prayers of penitence and thanksgiving will be offered. Rev. J. M. Regier, Camp Pastor, will bring the morning message. Sunday School will begin at 10:00 as usual.

THE WAR COMES TO AN END

News of the war's end reached camp at 5:01 arriving here by CBS and announced simultaneously by Zeka Stauffer's car horn, Jake Plett's steel pipes, and several yippee's by campers. It was the news the whole world had been waiting for in the last 5 days. CPS campers took new hope that perhaps they would be able to see the time when they could return home. The first vacation in a number of years was most welcome. No word has reached us regarding demobilization. However, everyone seems quite happy. It is reported that Harvey Schmidt showed his first real smile since he was married.

MR. OLSON VISITS CAMP

Mr. Olson, representative of Selective Service, is visiting camp for several days. He has just returned from visiting the new government camp at Weaverville, California and the Mancos camp. He is scheduled to speak to the camp and the dairy unit following the dinner on Sunday. He will try to answer any questions you may have.

SUNDAY DINNER

Since Mr. Olson will speak following Sunday dinner we would like to give priority in seating men from CPS 5 and CPS 97 first. We are having quite a number of guests and the end of gas rationing might increase the group so it is felt that CPS men should be seated first with visitor's and wives using the space that is left. If there is insufficient room for all to eat, a second setting will be made.

NEW PROJECT

The MCC has announced that they need 10 men for the home canning for Relief program. 4 of these men will form 2 truck driving teams to haul canned goods between MCC warehouse in Akorn taking care of shipments. See Bulletin Board for detail.
