SUNDAY SERVICES

The morning worship service will be led by the group from Fort Collins. Rev. Henry Wyse of Archbold, Ohio, will preach the sermon. Rev. Wyse is a minister in the Old Menmonite Church and is visiting CPS camps in the interests of the Ohio Menmonite Conference.

Sunday School will precede the worship service. Joseph's Testimony to God's Providence is the lesson. Ray Zercher will conduct the discussion.

SOFTBALL

Tomorrow we win or lose in a friendly softball battle with Fort Collins. The game will be played in the City park near Prospect Lake. Players should be there at 2:00 P.M. The game will begin at 3:00 P.M. Melbourne Stucky, the captain of the team, has the lineup well organized. With plenty of reserves CPS No. 5 is anxious to make it tough for the Colley boys.

WEDNESDAY CHORUS

The second session of the Menmonite Pillars of Faith, Separation of Church and State, will be conducted by Paul Schmidt. The discussion last Wednesday nite was well received. We hope interest will continue to grow in this study. A prayer service follows the discussion.

MALE CHORUS

There are now fourteen men in our male chorus. We would like to build that number up to twenty-four. Anyone who enjoys singing is welcome to join the group. Several programs are on the schedule.

TRANSFERS

From Harrisburg State Hospital comes John Helmuth. Melvin Schroeder, Melvin Siemens, Milton Reimer, Eugene Matthies, returning from the Pinehurst Guinea Pig Experiment, will arrive October 4. Alvin Dalke is due here Sept. 22. Request has been made for Henry P. Martens from North Fork to transfer here because of his father's illness. John Yoder has already returned from Pinehurst. CPS No. 5 is growing again. Transferred out for a three weeks absent sick leave is Albert Classen.

STAFF CHANGES

To become the director of the Three Rivers Camp, Waldo Voth will vacate his office as Area Supervisor. Taking his place is Paul Quiring. With demobilization another staff position has been created for Wilbur Nachtigall. He has been appointed to handle details on demobilization and mutual aid to discharged CPS men.

LIBERTIES FROM CAMP

Perhaps it should be emphasized that it is important for everyone to check out when leaving camp. This applies to all except those who work overtime on their project work. As soon as they quit working they should be checked out. Preferably you should check out personally to make it accurate giving your full name and destination. It is also important that you check in on your return. Sunday liberties do not begin before 6:00 A.M. without special arrangements. Liberties and Leaves end at midnight.

FURLOUGH LENGTH

With the approval of Mr. Olsen the 15 day limit on length of furlough is being discontinued. It should be remembered, however, that only Thirty days of furlough may be taken in one assignee year so two-fifteen day furloughs would seem to be most expedient for campers here. The furloughs will continue to have concurrent approval by the Superintendent and Director.

CHANGE IN OVERHEAD WORK

Beginning Monday the table waiters will work on a new system whereby one man will have the entire day off in rotation. This day off will take the place of the Saturday on which project men do not work. This will leave four waiters to do the work and the camp will need to make more of an effort to stack dishes at the end of the table. Also the waiting service will possibly be a bit slower since each waiter will have an additional table to serve. The night-watchmen will be given one night off each week in a new schedule of work.

STARTING LINEUP FOR SOFTBALL GAME

Catcher	Walt Krehbiel	Short Stop	Arnold Wedel
Pitcher	Bud Stucky	Left Field	Ed. Schmidt
First Base	Mel Stucky	Right Field	Ezra Stauffer
Second Base	Frank Knocke	Center Field	Sam Yoder

Reserves should be there because substitutions will need to be made.

NOTE OF APPRECIATION FROM CAMP DIRECTORS

"We truly appreciated the camp's hospitality and good will as well as the special efforts put forth by the staff and overhead in making our stay a very enjoyable one"
