

By banishing all fear from your mind and heart,
 you gain the confidence essential to a triumphant
 life. You thus help to create confidence in others.
 And through prayer and thanksgiving, fear can take
 a permanent holiday!

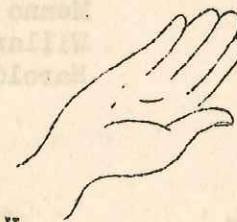

--George Matthew Adams

COME AND WORSHIP

This coming Sunday a worship service will be conducted exclusively by men in camp. Wilbur Nachtigall will speak in the service. Since Wilbur will be discharged in January, this will probably be our last opportunity to hear him. Sunday School will be taught by Harold Kreider. The alternative teacher as elected last Sunday is Waldo Wedel. THE STUDY OF GOD'S WORD AND FELLOWSHIP WITH HIM RESULTS IN MEN BECOMING LIKE HIM.

Now and for many months to come we have an opportunity to actually become rich. If we choose, prosperity is ours. Many are going to deliberately choose to live in poverty. Conditions are forcing us to decide between poverty and riches. In terms of material riches the above statement sounds foolish. In terms of spiritual prosperity it makes sense. We deliberately choose poverty when we invest all our efforts in ourselves. If we choose to invest our lives and goods to those in desperate need, we invite spiritual prosperity. It is a paradox that we become rich if we dare to make ourselves poor for others. It is a law of life that when we scatter or share of that which we own, we increase. If we give of our spiritual selves, we reap to our spiritual selves. Then again if we withhold for ourselves that which we do not need, we tend to become poor. "There is that scattereth, and yet increaseth; and there is that withholdeth more than is meet, but it tendeth to poverty" (Prov. 11: 24).

Never, as far as we know, has there been such a great need for Christian participation in giving of ourselves and goods as now. We are on the spot. We are literally forced to choose between poverty or riches. Read Acts 20:35 before making your decision.

SKATING

The Pikes Peak Skateland has again been rented for our camp. It will be available January 14. Keep this date open on your new calendar. Tickets will again be sold at the educational office at a reduced price.

BING BONG

More correctly, ping pong games are being played with greater frequency since we changed the location of the table. The table has been moved into Apt. D. Very soon a tournament will be organized to determine who is the poorest player. Of course, the best player may get some publicity too.

LAUNDRY SALE

Tuesday after supper a public auction will be held in the dining hall. There is quite an accumulation of old clothing. A few pieces of new clothing will also be sold.

LABOR COLLEGE

The second term of the vocational school will begin soon. Those who wish to enroll in this excellent school should report as soon as possible. The terms will be the same as last year. The \$4.00 enrollment fee will be refunded upon completion of the course.

JOB OPPORTUNITY

Dr. F. Nelson (1117 N. Tejon) would like to hire a discharged CPS man to work on his 160 acre ranch, located $3\frac{1}{2}$ miles south of Florissant, Colorado. Forty-eight acres of the ranch are under cultivation and the remainder is pasture land. If you are interested, contact Dr. Nelson for full particulars.

INVENTORY

We will take our inventory of Selective Service property tomorrow (Saturday). It will be necessary that everything that is checked out in your name be here on your bed at that time. Since it will be necessary to use your canteens tomorrow in your work, the canteens will be checked on the following Saturday (Jan. 12th).

FOR MARRIED MEN ONLY

When your wife says she often feels like crowning you, that doesn't mean she regards you as a king among men.
