

YOUR HOME IS YOUR CASTLE

Mrs. Willis Rich, Memmonite of Newton, Kansas, will be in this camp for four days next week to present a series of lectures on the Christian Home. Mrs. Rich has visited at least seventeen different CPS camps and has given lectures on this subject many times. Having been in this camp once before we wish to welcome her back. It is hoped that men and women of the camp family will be able to attend these meetings. The meetings will begin at 8:00 P.M. The topics for discussion are as follows:

Monday	The Home Partnership
Tuesday	Little Foxes that spoil the Vines
Wednesday	The Needs of our Children
Thursday	The Kingdom of God in the Home

RELIEF SEWING

Several wives have shown an interest in the relief sewing which was on display last Sunday. This Wednesday the actual work on these garments will begin. A meeting will be held Wednesday after supper till 8:00 P.M. The wives are welcome to come in for supper and share in the further planning of relief sewing after supper.

GRACE AT TABLES

The camp council has suggested that our offering of thanks at meal time needs some improvement. There has been considerable noise which disturbs those who wish to pray in silence. It is also suggested that the person ringing the bell allow more time for silent prayer. For the morning devotions the person in charge should say grace before breakfast. In the evening we will again begin singing the doxology. Let's make an attempt at improving our prayers.

NOTE:

A car owners meeting is scheduled for Tuesday after breakfast. All those having personal property in the woodworking shop should remove it by next Wednesday. We are expecting some new equipment from camps that are closing.

GLOVES

The camp council also decided to purchase gloves with the laundry sale money and make them available where they are needed. It is hoped that those men who need them especially bad will see Harold Kreider. Harold will be the distributing agent.
