

CAMP BULLETIN

Vcl. II, No. 25

CPS Camp # 5, Colorado Springs, Colorado

February 15, 1946

I cannot see the Christ-child
For the soldiers marching past.
I cannot hear the angels
For the bugle's angry blast;
But I know the bells are ginging;
And that faith and hope are clinging
To the Day
When love shall crown the world at last.

I cannot see the Christ-child
For the smoke is in my eyes.
I cannot hear the shepherds,
For the little children's cries;
But I know the bells are ringing,
Of the Day
When peace like morning dawn shall rise.

--Hugh Thomson Kerr

WORSHIP SERVICE

Rev. J. C. Grunau, of Fairview, Oklahoma, will be with us this Sunday as our visiting minister. He is the minister in the M. B. Church of that community. With two sons in CPS we may feel assured that he has much concern over CPS men and their work.

RELIEF SEWING

Upon investigating the possibility of getting material for relief sewing we have received an interesting display of clothing for relief from the Mennonite Cutting Room in Bluffton, Ohio. The various patterns are cut in Bluffton and sent all over the country to be sewed. Upon completion of the article it is sent to a nearby relief center for distribution in Europe. This is an excellent area in which women can participate. This material will be on display in the rear of the dining hall on Sunday. Mrs. David Ebersole will be present to answer any questions. It would be gratifying to see this camp send completed garments into relief centers. These garments can be worked on individually or in groups. Men, bring your wives in to see this display.

NOTE CHANGE IN CATTLEBOAT APPLICATIONS

All men inducted before June 15, 1944, are eligible to apply, instead of only those inducted between June 16, 1943, and June 15, 1944, as announced earlier. The deadline for applications is February 25. Those who have applied and have taken their physicals should pay their bills at the business office.

CALLING FOR AN APARTMENT?

A three room apartment on 33 West Willamette will be available to a childless CPS couple after Roland Duerksen gets his discharge. Conditions are that the occupant must take care of furnace, haul junk whenever necessary, and keep the hallway clean. It is necessary that the man be in every evening. Wife may fill furnace in the morning. For further details see Roland Duerksen.

BASKETBALL

Coach Franz of Fort Collins informs us that they will be able to play us on the 23rd of Feb. or 2nd of March in Denver. Further confirmation will be necessary.

COUNCIL MEETING

Members of the camp council, please be present at the council meeting Monday night immediately after supper. If your dorm representative has been discharged please elect another one.

WILLYS LEAVES

No longer will we see the little willys sputtering around camp since Norman Abrahams has received a transfer to Washington to work in the N.S.B.R.O. Office. We wish Norman and Ethel many more happy miles on the Willys.

The transfer of Curtis Koehn has also been approved. Curtis will go to Three Rivers, Calif.

DOES YOUR VOCABULARY STUMBLE YOU?

One of the helpful tools of life is a good standard dictionary. If you need a good one why not place an order with the E.D. An order will be placed for the Standard Webster's Collegiate Dictionary next week.

SYMPTOMS OF KLEPTOMANIA

BREAKING THE LOCK ON THE COOKIE BOX AND STEALING COOKIES.
LOWERING ONESELF TO STEAL GOD'S MONEY OUT OF THE COLLECTION PLATE.
(Whoever is responsible, we hope, will make good use of the tithes.
Such bravery and noble behavior certainly has a reward coming.)

If you are a small man you may be able to make use of the speech-in-one sentence spoken by Dr. Oliver Wendell Holmes. At a meeting he attended there were many tall men. Someone said to the doctor, "I wish I could talk like those big fellows."

"I do," replied the doctor, who always thought well of himself. "I feel like a dime among a lot of pennies."

It is one of life's deepest mysteries that people who disregard our advice seem to get along pretty well anyway.
